CLE: 'What is a Connected Learning Experience (CLE)' video

Posted by [sat](#) on Sat, 2020-11-07 10:07

This video describes what a Connected Learning Experience is.

Kate Dilger, Science ASSIST Teacher Support Officer, explains what a Connected Learning Experience is, outlines its components and describes how to 'unpack' one.

This video is an excerpt from Kate's workshop 'Science ASSIST - A STEM based approach to investigating in science' delivered at CONASTA 65 in Brisbane July 2016.
