## Oil and water - Year 7 W.A.S.P.

Posted by [sat](#) on Mon, 2014-06-30 23:29

This online resource looks at renewable and non-renewable resources.

The resource is a teaching package that provides hands-on activities, with teacher support materials, to support the Year 7 Earth and space science and chemical sciences components of the Australian Curriculum.

The activities are organised into three topics:

1. Renewable and non-renewable resources,
2. Water as A renewable resource, and
3. Oil and gas as non-renewable resources

Australian Curriculum v9 Codes: AC9S7U05 (Year 7), AC9S7U06 (Year 7)
