Displacement reactions between metals and their salts

Posted by [sat](#) on Fri, 2014-07-25 01:01

This online resource investigates the activity series of metals.

The resource details a laboratory activity where students investigate the displacement of four metals to determine the activity series for those metals.

Australian Curriculum v9 Codes: AC9S10U06 (Year 10), AC9S10U07 (Year 10)
