Acids and bases

Posted by [sat](#) on Wed, 2014-07-30 20:43

This online resource is a web page that gives basic information on acids and bases including how to make litmus paper with cabbage water and how to perform a titration with vinegar.

An outline of how to calculate the concentration of an acid through titration is also included. Examples of other indicators are also given.

Australian Curriculum v9 Codes: AC9S8U07 (Year 8), AC9S10U07 (Year 10)
