Voyager video

Posted by [sat](#) on Mon, 2014-08-11 13:52

This online resource is about the Voyager space probes, their locations and future goals as of June 2013.

This short video from the ABC television show *Catalyst* shows the history of the Voyager probes and the information they have sent back to Earth.

In the video, their current locations are shown (as of June 2013) and their future tasks explained.
