AIS: Links — Physical sciences safety

Posted by [sat](#) on Thu, 2014-10-16 21:53

This downloadable PDF provides links to national and state-specific support materials for compliance with health and safety legislation while teaching the physical sciences in schools.

Areas covered include:

- the use of equipment,
- radioactive sources,
- licensing,
- Australian Standards, and
- non-government organisations supporting the physical sciences in schools.
