Circle of life - Science by Doing

Posted by [sat](#) on Fri, 2014-11-21 09:23

This online resource deals with the web of life.

The resource is a Science by Doing online resource that covers ecosystems, food chains and webs, scientific classification, ecosystem management and sustainability.

This resource is an inquiry-based learning sequence of hands-on activities, digital interactives, animations and videos. Students can experience scientific fieldwork and learn how to develop a scientific argument.

Teacher guide, activity sheets and assessment items are available.

Australian Curriculum v9 Codes: AC9S7U01 (Year 7), AC9S7U02 (Year 7)
