Look! Listen! - Primary Connections

Posted by [sat](#) on Fri, 2015-01-30 22:02

This unit of work is an introduction to the concepts of light and sound.

The resource details ways of engaging younger students so they can learn how light and sound are produced from a range of sources as well as how they can be sensed.

This inquiry-based teaching unit outlines tasks and activities that promote the use of the senses when conducting investigations into light and sound. It includes 7 lesson plans, student worksheets and other resources that support its implementation.

New Australian Curriculum Codes: AC9S2U02 (Year 2)
