Water Works - Primary Connections

Posted by [sat](#) on Sun, 2015-02-01 22:28

This unit of work explores water catchment, water distribution, and the uses of water.

This inquiry-based teaching unit outlines tasks and activities for learning about rainwater, water collection, storage, transport, access and uses of water.

It includes 8 lesson plans, student worksheets and other resources that support its implementation.

New Australian Curriculum Codes: AC9S1U01 (Year 1), AC9S4U02 (Year 4)
