SOP: Use of lasers in schools

Posted by [sat](#) on Thu, 2015-03-19 20:42

Information for the use of lasers in schools.

This set of downloadable documents detail standard operating procedures for the use of lasers in schools.

The procedures are set out in three parts:

- Part 1 Laser pointers
- Part 2 Bench lasers
- Part 3 Construction of lasers

The accompanying example risk assessment should be used as a guide only, and users should consider risks and safety measures in their local environment before proceeding.
