## **SOP: Use and care of the compound light microscope**

Posted by [sat](#) on Thu, 2015-05-28 21:24

How to use and care for a compound light microscope.

This downloadable resource is a Safe Operating Procedure (SOP) and detailed method for how to use and care for a compound light microscope developed by Science ASSIST.

The accompanying example risk assessment should be used as a guide only, and users should consider risks and safety measures in their local environment before proceeding.

Note: an updated version of this is available for subscribers to Science ASSIST
