On the move - Primary Connections

Posted by [sat](#) on Thu, 2015-05-28 22:07

This online teaching introduces younger students to movement and motion.

The resource details ways of engaging and supporting Foundation Year students when learning about the concepts of movement and motion.

This inquiry-based unit provides advice on conducting investigations into moving toys, ways of moving and body parts that move.

It includes 7 lesson plans, student worksheets and other resources that support its implementation.

New Australian Curriculum Codes: AC9SFU02 (Foundation), AC9S1U03 (Year 1)
