## **AIS: School science area security**

Posted by [sat](#) on Thu, 2015-07-02 17:49

This downloadable resource is an ASSIST Information Sheet (AIS) on the management of a school's science department.

Security of the school science department is an important subject that is often overlooked in the management of the school as a whole. There are many items contained in a science department which are expensive to replace or, of more concern, can be used in the manufacture of illegal drugs or explosives.
