Learning to be Waste Wise - Compost

Posted by [sat](#) on Sun, 2015-08-30 23:11

This downloadable document deals with composting in schools.

The document ties in the subject of composting in schools with different aspects of the Australian Curriculum: Science

The resource also gives teacher background information and outlines structured activities/lessons as well as listing many related websites, including video links, that would support such activities.

New Australian Curriculum Codes: AC9SFU03 (Foundation), AC9S2U03 (Year 2)
