Schoolyard safari - Primary Connections

Posted by [Anonymous](#) on Wed, 2015-09-23 23:24

This online resource supports Year 1 students learning about schoolyard creatures.

The resource details ways of engaging and supporting Year 1 students in their learning about the features, behaviours and habitats of some schoolyard creatures.

The animals covered in this resource are mainly earthworms, snails and ants.

New Australian Curriculum Codes: AC9SFU01 (Foundation), AC9S1U01 (Year 1)
