What's it made of? PrimaryConnections

Posted by [keystone.david.j](#) on Sat, 2015-10-17 14:31

This online resource details ways of supporting and engaging Foundation Year students when learning about the properties of different materials.

This inquiry-based unit outlines tasks and activities that promote the use of the students' senses when exploring, describing, comparing, naming and classifying a range of materials. It includes 6 lesson plans, teacher background information and student worksheets that support its implementation.
