Two degrees?

Posted by [sat](#) on Tue, 2016-01-19 11:07

This online resource focuses on climate change and its effects.

The resource gives details for a sequence of two lessons that focus on potential effects of climate change.

Students examine scientific evidence using an inquiry approach.

The package includes 2 lesson plans and a teacher guide.

Australian Curriculum v9 Codes: AC9S10U04 (Year 10)
