Local Environments & Patterns On Earth - Year 1 **P.A.L.M.S.**

Posted by [sat](#) on Thu, 2016-03-31 00:53

This online resource supports the teaching of the Year 1 Earth and space science.

The resource is a teaching package that provides hands-on activities with teacher support materials to support the Year 1 Earth and space science components of the Australian Curriculum.

The activities are organised into four topics:

- Senses
- Weather changes
- Day and night
- Landscape changes and timescale

The package also integrates other subject areas, including—English, mathematics, geography and history.

New Australian Curriculum Codes: AC9S1U02 (Year 1)
