## P.A.L.M.S. Year 1 – Local Environments & Patterns On Earth

Posted by [sat](#) on Thu, 2016-03-31 00:53

This online teaching package provides hands-on activities with teacher support materials to support the Year 1 Earth and space science components of the Australian Curriculum.

The activities are organised into four topics:

- Senses
- Weather changes
- Day and night
- Landscape changes and timescale

The package also integrates other subject areas, including—English, mathematics, geography and history.
