Earth's Resources – Year 2 P.A.L.M.S.

Posted by [sat](#) on Thu, 2016-03-31 01:10

This resource explores Earth's resources.

It provides hands-on activities with teacher support materials to support the younger students in learning about resources, water, soil, clean air, and minerals. It has a focus on sustainability and recycling resources.

The package also integrates other subject areas, including—mathematics, drama, geography and history.

New Australian Curriculum Codes: AC9S3U02 (Year 3), AC9S4U02 (Year 4)
