## Microscope Servicing - Gold Coast

Submitted by sat on 21 August 2017

Thank you for your question to Science ASSIST regarding microscope servicing on the Gold Coast.

Science ASSIST has previously answered a question on the repair of microscopes. Please see <https://assist.asta.edu.au/question/3762/microscope-repair?search-id=629d7f3>

We are unable to 'recommend' a servicer/repairer but please see our list of [School science suppliers](#) for some contacts. There may be some school laboratory technicians on the Gold Coast who may also be able to help.
