AIS: Plant and equipment maintenance and servicing schedule

Posted by sat on Fri, 2018-11-30 15:46

Schools should develop their own maintenance and servicing schedule for all emergency equipment, plant and mechanical fixtures, electrical and electronic devices etc. based on site specific risk assessments.

In response to several questions, Science ASSIST has compiled a list of plant and equipment commonly found in school science areas and provides guidelines for the servicing of these items.
