Hand sanitiser and chemical registers

Posted by Anonymous on Fri, 2021-08-13 10:28

Hand sanitiser and chemical registers: What are the requirements for the listing of the hand sanitisers in each schools chemical register?

I have had conversation with someone working at another school who has been instructed to place the product on there register. I have not done this and wanted to clarify first.

Thanks for your assistance, look forward to your advice.
