## Science ASSIST Information Sheet: Chemical storage

Posted by [Anonymous](#) on Tue, 2023-03-14 17:38

This information sheet is an updated review of the answers to the following questions, and replaces the previously published Q&As:

- What is the legal requirement for the temperature and the humidity for a chemical storeroom?
- Where can I find up-to-date regulations for chemical stores in schools?
- Where can I find up-to-date regulations for chemical stores setups/designs in schools?
