Magic with physics - pendulum stop

Posted by [sat](#) on Sun, 2014-03-16 14:33

This online resource shows how to build a double pendulum system.

The resource details a student practical activity that focuses on how to build a double pendulum system to illustrate the conservation of energy within such a system.

The resource has an explanation of how it works and some extension activities.

Australian Curriculum v9 Codes: AC9S8U05 (Year 8), AC9S9U05 (Year 9)
