Weather Worksheet - Bureau of Meteorology

Posted by [sat](#) on Wed, 2014-04-09 22:30

This worksheet investigates young students' understanding of weather.

This downloadable worksheet is aimed at Year 1 students and probes their prior knowledge about weather and their understandings of how they should respond to weather.

This worksheet defines the term 'weather' for younger students and has 7 tasks to which students may respond either by writing or through drawings and illustrations.

New Australian Curriculum Codes: AC9S1U02 (Year 1)
