Watch it grow! - Primary Connections

Posted by [sat](#) on Thu, 2014-05-15 13:06

This unit of work investigates the life cycle of living things.

It details ways of supporting and engaging younger students when learning about the growth, development, reproduction, and death of different living things.

New Australian Curriculum Codes: AC9S1U01 (Year 1), AC9S3U01 (Year 3)
